1. Beginning of fourth period - what strategy is AB employing in the offensive end and why?

2. Find MB's fourth goal, go back and watch the play Hildebrand (#66) makes in the neutral zone, what does she see and what does she do that leads to the goal?

3. What mix up do you see from AB that leads to the goal?

4. AB scores a follow up goal shortly after. Describe Sauve (#4)'s shot - aka what does she do to the goalie and where does she shoot?

5. On MB's 5th goal, what does Lesperance (#18) do to get open in the space she wants to get the ring for her one timer shot? Where in the zone does she take the one timer?

6. What type of defence does AB play when they are shorthanded on a 3-2. What about Manitoba? Describe the difference?

7. At what time in the 4th period does MB pull their goalie? How many players do they have on the ice and why?

8. Describe the formation MB uses offensively when they have 4 in the zone? What is the middle person's job?

9. At approximately 4 minutes left Oravec (#14 MB) has the ring in the neutral zone and is under pressure, what does she do to relieve the pressure by the AB checkers?

10. What is unique about Sauvee's (#4 AB) forechecking pressure at the beginning of overtime?

11. What does Lesperance (#18 MB) do on the ringette line as a forward to help her team play defence while AB has the ring and is attacking in the MB end?

12. Who scores the game winning goal? How do they use the defence to do so? What would you suggest to a defence in that 1 on 1 situation?
