

# 2022/2023 Excellence Ringette Program

## Athlete Intake and Selection Procedure

Excellence Ringette provides participants with the daily training environment that will assist each athlete with attaining their personal success and individual goals. Excellence Ringette is a year-round commitment with training plans that are individually adapted to athletes and that align with a full season calendar for ringette. This includes periodization stages outlined clearly to the athlete, parent and coaches to ensure that athletes are reaching peak performance at the optimal time of the season but are also training effectively all season.

For the 2022/2023 season, intake for the Excellence Ringette Program will consist of

- Athlete Orientation (optional)
- Application Package
- On and Off Ice Assessments
- Athlete Interview

### Athlete Orientations

Ringette BC will be hosting three (3) Excellence Ringette Program Orientations in April for athletes and their families to learn more about the program and intake process.

- Thursday, April 21st - 7:00 PM
- Saturday, April 23rd - 10:00 AM
- Monday, April 25th - 8:00PM

### Selection

The number of athletes screened into the Excellence Ringette Program for the 2022/2023 season is not predetermined. The size of the 2022/2023 Excellence Ringette Program cohort will be dependent on the number of athletes that complete the assessments, and overall performance of the applicants in each age division. In order to host any division in the Excellence Ringette Program, a minimum of 10 athletes must be screened into the program in that division (ie U16 Female, U17 Male).

Athletes will be ranked within each age division as follows

|                                 |     |
|---------------------------------|-----|
| On Ice Assessments              | 50% |
| Off Ice Assessments             | 30% |
| Application Package & Interview | 20% |

Athletes will be notified of their status in the Excellence Ringette Program no later than June 15th, 2022 via email. Please ensure that the email used upon registration is one that is actively monitored.

## On and Off Ice Assessments

The on and off ice assessments will be delivered by Competitive Thread in three locations across BC. Competitive Thread will provide Ringette BC with the results, as well as send individual results to each athlete. The Excellence Ringette Program Standards provide historical data indicating what the top athletes in each age division have been able to achieve for each of the nine (9) on and off ice assessments. These are the standards that athletes should strive to achieve when preparing for the intake process, and what Excellence coaches will support the athletes in meeting or surpassing once screened into the program.

Athletes may not be required to achieve all nine (9) standards to be accepted into the Excellence Ringette Program, but a weighted system of managing the standards will be utilized. As indicated in the weighting above, an athlete's performance on the on and off ice assessments plays a large role in their acceptance into the Excellence Ringette Program. On ice assessments will be weighted as 50% of the athlete's overall score, and off ice assessments as 30%.

The following tests are performed as part of the on and off ice assessments

### On Ice Assessments

- All athletes
  - 30M Forward Sprint with ring
  - 30M Backward Sprint (no ring)
- Skaters Only
  - Weave Agility with ring
  - Transition Agility (no ring)
- Goalies Only
  - Goalie Pro Agility
  - Goalie Crease Movement

### Off Ice Assessments

- All Athletes
  - Beep Test
  - Vertical Jump
  - Broad Jump
  - Push Ups
  - Plank

For more information on the standards for each of the tests, [visit the Ringette BC website.](#)

## Fitness Program

To support in your preparation for the assessments, Nicole Lark of Ringette Training Systems has provided the fitness program linked below.

If you were an athlete in the 2021/2022 Excellence Ringette Program, continue to follow your existing Fitness Program from Nicole L.

## Assessments Dates & Times

Athletes will register for the one of the following on and off ice assessments as part of their registration and application for the 2022/2023 Excellence Ringette Program. Athletes who are invited to attend the Canada Winter Games Selection camp in May will register for the LMRL assessment, regardless of where their home association is.

- LMRL - May 6th (5PM - 8:30PM) and 7th (8AM-11AM) - Richmond, BC
- Northern BC - May 14th (9AM - 1:30PM)- Prince George, BC
- TORL - May 15th (9AM-1:15PM) - Kelowna, BC

If an athlete is unavailable for the testing date in their region, they must complete the [Athlete Absence Form](#) by **April 22nd, 2022**. Procedure for athletes who are unavailable will follow the [Athlete Injury and Absence Policy](#).

## Application Package and Interview

All athletes will have completed an application package at the time of registration for the Excellence Ringette Program Assessments. The questions in this application package will account for 10% of the athlete's score. After the On and Off Ice Assessments have been completed, athletes will take part in a 10-15 minute athlete interview where they will be asked 4-5 questions by Excellence Coaches, High Performance Athletes, and Ringette BC staff, worth 10% of their overall score. Athletes will be provided with a set of 8-10 questions ahead of their interview to prepare.
