SUBJECT: Ringette BC Strategic Planning Update
DATE: November 6, 2024

Dear Ringette BC League & Club Association Presidents,

The recent staff changes at Ringette BC have resulted in a reduced planning and implementation capacity of our organization, therefore our Strategic Planning Committee has made the decision to pause the creation of a new Ringette BC Strategic Plan this season.

Strategic planning and the creation of a new plan will resume upon the return of our Executive Director in July of 2025.

We thank our membership for your understanding and patience during this time.

Sincerely,

Maria Crawford
Ringette BC, Chair
