DATE: December 10, 2024

---

Dear Ringette BC League & Club Association Presidents,

This memo is to provide clarity to our membership on the previous Participation Streams memo dated November 13, 2024.

**League Games:**

- 1) Club Teams are to only participate versus Club Teams
- 2) Zone Teams are to only participate versus Zone Teams

**Exhibition Games:**

- 1) Club and Zone may participate in exhibition games provided they meet the following:
  - Coaches from both teams are in agreement that there will be meaningful, friendly competition for both teams
  - Any players that are more than 2 years removed from the opposing team's division may not participate in exhibition games, eg. A U12 aged player may not participate in an exhibition game is between a U16 team and the U14 team that they play on
  - U19 teams may not participate against Open teams

**Practices:**

- 1) both participation streams may share the same ice for practices

Sincerely,

Susan Doucette
