

TO: Ringette BC League and Club Association Presidents
FROM: Ringette BC
SUBJECT: Ringette BC General Sport Rules policy Exemption
DATE: January 29, 2025

Dear Ringette BC League & Club Association Presidents,

This memo is to inform you of the exemption granted to all teams with approved Underage and Overage players for league games and year end tournaments for the 2024-25 season.

- All teams will be allowed to participate with their approved Underage (UA) and Overage (OA) players. This exemption enables teams to compete in their divisions without restrictions related to the Player Movement and General Sport Rules policies.
- Players that have been approved to play up a division will not be permitted to play down in their original age division unless an exemption has been previously granted
- Teams must indicate on games sheets all UA and OA players

Sincerely,

Susan Doucette
Sport Operations Director
