SUBJECT: Ringette BC General Sport Rules policy Exemption  
DATE: January 28, 2025

---

Dear Ringette BC League & Club Association Presidents,

This memo is to inform you of the exemption granted to all teams participating in the Kelowna Sweetheart Tournament January 31 to February 2, 2025.

- all registered teams will be allowed to participate with their rostered Underage (UA) and Overage (OA) players. This exemption enables teams to compete in their divisions without restrictions related to the Player Movement and General Sport Rules policies.
- Players that have been approved to play up a division will not be permitted to play down in their original age division unless an exemption has been previously granted
- Teams must indicate on games sheets all UA and OA players

Sincerely,

Susan Doucette  
Sport Operations Director
